**JULY 22, 2008**

On August 2<sup>nd</sup> and August 3<sup>rd</sup>, American Cancer Society is holding its inaugural “Downtown Relay for Life”, a 24-hour fundraising event in City Hall’s South Lawn. This event is an effort to increase cancer awareness while raising much-needed funds for the American Cancer Society’s patient services programs, cancer research, advocacy and community education. Teams composed of twelve to twenty-four people formed by local businesses, community groups, friends and family members of cancer patients and survivors will be raising funds prior to the event. At the event, team members will take turns walking around the track in relay style and enjoy fun activities and entertainment off the track.

The organizers are expecting 250-participants and would need usage of **Lot 11 on Spring Street from approximately 6:00 a.m. on Saturday, August 2<sup>nd</sup> through 11: 00 a.m. on Sunday, August 3<sup>rd</sup>**. Since Lot 11 is located conveniently close to the event venue, it will be appreciated by the cancer survivors participating in this event, some who are still going through treatment and are quite weak, to park in that lot.

**I, THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:**

Waive the parking fees in Lot 11 for the participants and attendees of Downtown Relay for Life event in the amount of \$1,600.00, excluding the cost of liability insurance.
